

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
BRENTWOOD	0619980455	Across Stage Road; Across from Fire station, adjacent to existing protected lands		Y	Y	Y				10		Adjacent to existing protected lands; remaining open fields , prime agricultural lands, last remaining open fields in town, excellent scenic value, across street from remaining open fields	Hampstead Trails Committee	
BRENTWOOD	0619980456	Daniel Webster Historic Marker on Middle Rd (Rt 111A)						Y				Historic marker for historic site	Brentwood Conservation Commission	
BRENTWOOD	0619980457	Ritter Farm; corner of Haigh Rd. and Rt 111A	Y	Y	Y	Y				130		Prime farmland; water quality protection; water resource and watershed protection; habitat protection - important farmland protection, some wooded area; near Exeter River	Brentwood Conservation Commission	
BRENTWOOD	0619980458	Along Transmission corridor; adjacent to Rt 125; in between two protected parcels; north of Rt 111A	Y	Y	Y	Y				20		Close to Derry; watershed protection; adjacent to existing protected lands; water quality & excellent wildlife habitat	Brentwood Conservation Commission	
BRENTWOOD	0619980459	Adjacent to Exeter; east of Pickpocket Road, close to Exeter River	Y	Y	Y	Y				10	Y	Adjacent to protected lands in Exeter; close to Natural Heritage Inventory data; watershed, water resource & wildlife protection (near Exeter River)	Brentwood Conservation Commission	
BRENTWOOD	0619980460	Across Street from Courthouse; ; south of North Rd	Y	Y	Y	Y				160		Prime farmland; prime agricultural area; watershed protection; wildlife habitat; open fields; prime resource for protection efforts	Brentwood Conservation Commission	
BRENTWOOD	0619980461	North of North Road; close to Prescott Rd		Y				Y		10		Jail house; historic site; owned by Rockingham County - should remain protected; watershed protection area	Brentwood Conservation Commission	
BRENTWOOD	0619980462	Land in connection to new Courthouse; south of South Rd; east of Rt 125	Y	Y				Y		20	Y	Adjacent to Kinston Border; Little River flows near/through land; important land protection efforts; wildlife habitat; watershed protection	Brentwood Conservation Commission	
BRENTWOOD	0619980463	Exeter River; flows throughout town from border of Exeter to border of Fremont and beyond	Y	Y	Y	Y				200	Y	Prime watershed lands; prime habitat; adjacent to Fremont and Exeter; water quality and wildlife habitat concerns; adjacent to existing protected lands - priority protection efforts	Brentwood Conservation Commission	
BRENTWOOD	0619980464	Burt's Pond; North of South Road; south of Exeter River; near Exeter Border	Y	Y	Y	Y				120	Y	Watershed protection; close to Exeter and Kinston; tributary from Exeter River; watershed protection near protected lands; important land/water to protect	Brentwood Conservation Commission	
BRENTWOOD	0619980465	Rodger Baker House; on Middle Rd and Pine St (called Marshall Corner) - oldest house in town						Y		1		Oldest dwelling in town; important for historic preservation	Brentwood Conservation Commission	
BRENTWOOD	0619980466	East of Deerhill Road; North of Rt 111A; near transmission lines	Y	Y	Y	Y				100		Prime open lands; water quality protection (Dudley Brook); watershed protection; habitat protection - important and adjacent to DES conservation easement; near wetlands	Brentwood Conservation Commission	
BRENTWOOD	0619980467	North of North Road; west of Rt 125; three ponds campground	Y	Y	Y	Y				80		Three ponds campground; prime surface water protection area; watershed; water quality; habitat protection	Brentwood Conservation Commission	
BRENTWOOD	0619980468	Across Street from three ponds campground; south of North Road; west of Prescott Rd	Y	Y	Y	Y				150		Huge wetland complex, large open fields, high quality trail system connection; prime habitat watershed & water quality protection	Brentwood Conservation Commission	
BRENTWOOD	0619980469	North of North Road; East of Prescott; south of Rt 101; adjacent to Epping	Y	Y	Y	Y				145		Close to Epping; huge wetland complex; open lands; water resources; water quality and high habitat value	Brentwood Conservation Commission	

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
BRENTWOOD	0619980470	Historic farm; North of Rt 111A; east of Deerhill Rod	Y	Y	Y	Y		Y		50		Historic farm; :Creamery Brook Farm; Dudley Brook watershed protection; prime farmland; prime agricultural and open lands protection effort	Brentwood Conservation Commission	
BRENTWOOD	0619980471	North of Rowell Road; east of Haigh Rd		Y				Y		2		Two historic cellar holes; across street from cemetery	Brentwood Conservation Commission	
BRENTWOOD	0619980472	North of Rt 111A; east of Rt 125		Y				Y		1		Historic cellar hole	Brentwood Conservation Commission	
BRENTWOOD	0619980473	West of Pickpocket Road; South of Rt 111A		Y				Y		1		Historic cellar hole	Brentwood Conservation Commission	
BRENTWOOD	0619980474	North of South Road; adjacent to Fremont Border; West of Rt 125		Y				Y		1		Historic cellar hole (approximate location)	Brentwood Conservation Commission	
DANVILLE	1219910012	Hershey Road			Y			Y				Early Road; portion now Class A trail	Danville Heritage Commission	
DANVILLE	1219911002	Old Meeting House Cemetery (468 Main Street)		Y				Y		1		Second Oldest town cemetery; 1820-pres; historic district	Danville Heritage Commission	
DANVILLE	1219991000	1755 Meeting House (468 Main Street)			Y			Y		0.38		Oldest original construction meeting house in NH; historic district; national register historic places	Danville Heritage Commission	
DANVILLE	1219991001	Tuckertown Road		Y				Y				1766 closed unpaved road; class A trail; historic District	Danville Heritage Commission	
DANVILLE	1219991003	Acerage ; wood lots north of Hershy Road; all contained within Historic District - Tucker Town Road (trail) runs through these parcels		Y				Y		425		All located within Historic District - woodlots; former timber mill lands and town forests also original parsonage land included	Danville Heritage Commission	
DANVILLE	1219991004	Historic cemetery off of Main Street (491) Main			Y			Y				Ye Olde Cemetery; oldest town cemetery ; historic district	Danville Heritage Commission	
DANVILLE	1219991005	Town Hall - Historic Structure; 210 Main Street			Y			Y				Town Hall; 1887 architecture	Danville Heritage Commission	
DANVILLE	1219991006	Red school house			Y			Y				380 Main Street; constructed in 1802	Danville Heritage Commission	
DANVILLE	1219991007	Town Pound - 371 Main Street			Y			Y				Constructed in 1802	Danville Heritage Commission	
DANVILLE	1219991008	Beehive Hut - off of Hershey Road			Y		Y	Y				Stone cavern; unknown age & origin	Danville Heritage Commission

DANVILLE	1219991015	White Schoolhouse/Sanborn Library						Y				1895-former town school; now library	Danville Heritage Commission	
DANVILLE	1219991016	Union Church						Y				1850 construction	Danville Heritage Commission	
DANVILLE	1219991017	Sargent cooperage						Y				1850 construction; formerly at Elm Farm	Danville Heritage Commission	
DANVILLE	1219991018	Firehouse						Y				1800's post and beam construction	Danville Heritage Commission	
DANVILLE	1219991019	Red school house						Y				One Room school built in 1780; rebuilt in 1835	Danville Heritage Commission	
DANVILLE	1219991020	Dimond Graveyard; Colby Road overlooking Israel Dimond House						Y	Y			Private Family burial grounds; 7+ stories, 1815-1907	Danville Heritage Commission	
DANVILLE	1219991021	Josiah Tewskbury Family tomb, Kingston Road						y	y			Private Family tomb, 1859	Danville Heritage Commission	
DANVILLE	1219991022	Bagley Graveyard, 127 Kingston Road						Y	Y			Private family graveyard; stone, 8 burials, 1846-1916	Danville Heritage Commission	
DANVILLE	1219991023	Collins Graveyard; Pleasant Street						Y	Y			Private family graveyard; & = stones; 1819-1854	Danville Heritage Commission	
DANVILLE	1219991024	Blake Road Graveyard						Y	Y			Private cemetery; 14+ stones; 1815-1835	Danville Heritage Commission	

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
DANVILLE	1219991025	Old Road Graveyard						Y	Y			Private graveyard; 4 stones; 1823-1872	Danville Heritage Commission	
DANVILLE	1219991026	Hunt Road Graveyard						Y	Y			private graveyard; 1 stone; 1898	Danville Heritage Commission	
DANVILLE	1219991027	Memorial Marker; hersey Road Trail						Y	Y			1 stone; 1952	Danville Heritage Commission	
DANVILLE	1219991028	Stafford Family Graveyard						Y	Y			private graveyard; adjacent to Old Meeting House Cemetery	Danville Heritage Commission	
DANVILLE	0619980354	West of Rt 111A and near Sandown Road	Y	Y	Y					80		Important aquifer protection & watershed protection, adjacent to existing protected lands; important open lands; water quality protection	Danville Conservation Commission	11
DANVILLE	0619980355	Adjacent to existing graveyard, west of rt 111A and north of Hershey Rd.	Y	Y	Y	Y				50		Adjacent to protected lands, Natural Heritage Inventory; watershed protection, water quality/ watershed protection	Danville Conservation Commission	10
DANVILLE	0619980356	Adjacent to Sandown; west of transmission lines, south of Sandown Rd	Y	Y	Y					50	Y	Adjacent to protected lands, and Sandown, watershed protection; water quality protection; possible public trails, etc.	Danville Conservation Commission	1
DANVILLE	0619980357	South of Beach Plain Rd; West of Farview Rd	Y	Y	Y	Y				60		Adjacent to existing protected lands; Natural Heritage Inventory; watershed protection	Danville Conservation Commission	8
DANVILLE	0619980358	Adjacent to Kingston, south of Rockrimmon Rd; North of Long Pond Rd	Y	Y	Y	Y		Y		200	Y	Adjacent to existing protected lands (Kingston); adjacent to undisturbed surface water body (northeast Long Pond); Watershed protection; wildlife habitat & NHI protection	Danville Conservation Commission	3
DANVILLE	0619980359	Adjacent to Little Cub Pond (called Pigeon Hill); crosses Hershey Rd	Y	Y	Y					80		Hilltop/ridge protection, watershed protection; existing trail system; wildlife habitat; hear several surface water bodies	Danville Conservation Commission	5
DANVILLE	0619980360	Adjacent to transmission lines & Sandown; South of Sandown Rd	Y	Y	Y					100	Y	Adjacent to protected lands (Sandown); Natural Heritage Inventory; Watershed Protection (Exeter River); wildlife habitat protection	Danville Conservation Commission	2
DANVILLE	0619980361	Adjacent to Kingston; South of Rt 111		Y	Y					80	Y	Adjacent to protected lands (Kingston & Danville) corridor protection; wildlife habitat protection	Danville Conservation Commission	12
DANVILLE	0619980362	Just North of Back Rd; East of Rt 111A		Y	Y	Y			Y	50		Prime agricultural fields/meadows; wildlife habitat; important open space protection	Danville Conservation Commission	7
DANVILLE	0619980363	South of Back Rd; and west of Cross Rd	Y	Y	Y	Y			Y	100		Prime agricultural fields/meadows; working farm; wildlife habitat; important tree stands; watershed protection; important open space protection	Danville Conservation Commission	13
DANVILLE	0619980364	South of Beach Plain Rd; close to Kingston Border	Y	Y	Y	Y				60	Y	Beautiful woodlands; wetland protection; watershed protection; adjacent to other prioritized protection areas; wildlife habitat; trail connections possible; close to Kingston.	Danville Conservation Commission	

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
DANVILLE	0619980365	South of Beach Plain Road; toward Long Pond	Y	Y	Y	Y				100	Y	Close to Kingston; wetlands protection; watershed protection; adjacent to other prioritized protection areas; wildlife habitat; trail connections possible.	Danville Conservation Commission	9
DANVILLE	0619980366	Adjacent to Sandown & Hampstead; East of 121A; south of Cotton Farm Rd	Y	Y	Y	Y				60	Y	Close to Sandown & Hampstead; watershed protection; aquifer protection area; wildlife habitat	Danville Conservation Commission	4
EAST KINGSTON	0619980229	Abuts B & M railroad; approximately 1/2 mile North of Sanborn - wetlands	Y	Y		Y				32		Wetlands protection; water quality; water resource protection; woodland protection; habitat protection; adjacent to protected lands (portion of Red Gate Wetland( not funded by LCIP)	East Kingston Conservation Commission	1
EAST KINGSTON	0619980230	South Road - West side (near Fish Road) -	Y	Y		Y				50		Wetlands protection; woodlands protection\ habitat protection open fields; included in LCIP inventory (not funded)	East Kingston Conservation Commission	2
EAST KINGSTON	0619980231	South Road - East side (near Fish Road) -	Y	Y		Y				35		Woodland protection; habitat protection; open space/open fields protection; also included in LCIP inventory (not funded)	East Kingston Conservation Commission	2
EAST KINGSTON	0619980232	Northwest corner of East Kingston; adjacent to Kingston	Y	Y		Y				51	Y	Fields and Woodlands; open space protection; water resource protection; natural heritage protection - potentially developable; adjacent to Kingston	East Kingston Conservation Commission	5
EAST KINGSTON	0619980233	West of Willow Road; Northwest corner of East Kingston; adjacent to Kingston	Y	Y		Y				70	Y	Fields and Woodlands; open space protection; water resource protection; natural heritage protection - potentially developable; adjacent to Kingston	East Kingston Conservation Commission	6
EAST KINGSTON	0619980234	West of B & M RR; .3 mile north of Sanborn Road; abuts another parcel suggested for protection (#229)	Y	Y		Y				30		Wetlands protection; water quality; water resource protection; woodland protection; habitat protection; adjacent to town protected lands (portion of Red Gate Wetland)	East Kingston Conservation Commission & Planning Board	3
EAST KINGSTON	0619980235	West of B & M RR; .3 mile north of Sanborn Road; abuts another parcel suggested for protection (#229)	Y	Y		Y				60		Mostly woodland protection; some wetland protection needed; adjacent to #239; also adjacent to portion of Red Gate Wetland	East Kingston Conservation Commission & Planning Board	4
EAST KINGSTON	0619980236	East of Rt 108	Y	Y	Y	Y				22		Open space/open field protection; water resource protection; scenic vista and possible public use	East Kingston Conservation Commission & Planning Board	7
EAST KINGSTON	0619980237	East of Rt 108; adjacent to another parcel suggested for protection (#236)	Y	Y	Y	Y				130	Y	Open space/open field protection; water resource protection; scenic vista and possible public use; adjacent to other potentially protected lands and borders Kensington	East Kingston Conservation Commission & Planning Board	7
EAST KINGSTON	0619980238	Junction of Rt 107 and South Road; adjacent to existing cemetery	Y	Y	Y					32		Open space/open field protection; water resource protection (pond on site); scenic vista and possible public use	East Kingston Conservation Commission & Planning Board	8
EAST KINGSTON	0619980490	Intersection of RT 108 (North Rd) and Stumpfield Road	Y	Y	Y	Y				33		Prime open lands; water quality protection (Great Brook & Pond); habitat protection important floodplain and wetlands protection; open; scenic fields	East Kingston Conservation Commission & Planning Board	9
EAST KINGSTON	0619980491	East end of Andrew's Lane; south of Rt 107	Y	Y	Y	Y				50		Wooded parcel, possible recreation expansion, wetlands protection; water quality resource protection	East Kingston Conservation Commission & Planning Board	11
EAST KINGSTON	0619980492	North of Main Street at intersection with Haverhill Road	Y							11		Open fields; possible future recreation expansion area	East Kingston Conservation Commission & Planning Board	15

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
EAST KINGSTON	0619980493	North side of Powwow Pond; south of 107A	Y	Y	Y	Y				6		Woodlands and water quality protection; water resource protection; natural heritage inventory site; adjacent to existing protected lands	East Kingston Conservation Commission & Planning Board	16
EAST KINGSTON	0619980494	North of Andrews Lane' adjacent to RT 108 (South Rd)(east side) and North of School		Y	Y					47		Near school; woodlands and fields; possible recreation expansion	East Kingston Conservation Commission & Planning Board	10
EAST KINGSTON	0619980495	East side of North Road (Rt 108); and South of Tilton Lane		Y	Y			Y		15		Revolutionary war history; open fields; near other potentially protectable lands; open fields	East Kingston Conservation Commission & Planning Board	12
EAST KINGSTON	0619980496	North of Rt 107 and east of Rt 108 (North Road)	Y	Y	Y	Y				33		Farmland protection; scenic vista; open fields; important protection for agricultural lands	East Kingston Conservation Commission & Planning Board	13
EAST KINGSTON	0619980497	Southeast of the intersection of Sanborn Rd and Willow Rd	Y	Y	Y	Y				87		Fields; open lands; preserve working farm; prime active agricultural lands; water resource protection as well	East Kingston Conservation Commission & Planning Board	14
EAST KINGSTON	0619980498	East of RR track; northeast corner of town; adjacent to Exeter and Kensington		Y	Y	Y				72	Y	Prime open space; wooded area; prime habitat protection; near Brickyard Brook; adjacent to two other communities	East Kingston Conservation Commission & Planning Board	17
EPPING	0619980387	South of Rt. 27, north of RR trail; west of Depot Road	Y	Y	Y	Y				5		penninsula for Bunker Pond; adjacent to lamprey river; interested in water quality, watershed protection ; potential water storage area, old gravel bed adjacent to site	Epping Conservation Commission	
EPPING	0619980388	North of Rt 27, east of main street, adjacent to existing protected lands	Y	Y	Y	Y				5		Lamprey river view & watershed protection area; adjacent to existing protected lands (boy scout park); water quality, habitat protection	Epping Conservation Commission	
EPPING	0619980389	East of Birch Road; adjacent to Newfields & Exeter	Y	Y	Y	Y				40	Y	Adjacnet to Newfields ; adjacent to Exeter; Fresh River watershed, waterquality & habitat protection; wetlands protection necessary (adj to dragway)	Epping Conservation Commission	
EPPING	0619980390	South of Prescott Road; south of Hoar Pond	Y	Y	Y	Y				20		Acoss Street from existing protected lands; watershed protection; Natural Heritage Inventory protection; adjacent to Lampry River - water supply & corridor protection	Epping Conservation Commission	
EPPING	0619980391	East of Rt 27 & west of Birch Road; east of dragway - important for Brentwood as well!		Y		Y				20	Y	Adjacent to Brentwood and Exeter, near Fresh River; important forested and open land protection; undisturbed track - wildlife habitat; possible trail development	Epping Conservation Commission	
EPPING	0619980392	Between Pwtuckaway River and Stingy Brook, west of Blake Road and North of Rt 27	Y	Y	Y	Y				40	Y	Adjacent to Raymont; prime watershed, waterquality protection, prime wildlife habitat - lamprey river watershed (two tributaries flow into it) protection	Epping Conservation Commission	
EPPING	0619980393	Relocation of Rt 87, near Jacobs Rd - channel of Lampry has been restricted	Y	Y	Y	Y				11		Wetland; adjacent to Lamrey River; recreation area; fire protection; channel has been restricted; acreage on other side of river, watershed protection & passive recreation ability	Epping Conservation Commission	
EPPING	0619980394	North of relocation of Rt 87, near Jacobs Road; on Lampry River	Y	Y	Y	Y				25		Lamprey River watershed protection; connects to existing protected lands; natural heritage inventory; important protection for wildlife and watershed protection - high priority	Epping Conservation Commission	
EPPING	0619980395	East and West of Camp Lee Road; adjacent to Newmarket; near transmission line	Y	Y	Y	Y				15	Y	Adjacnet to Newmarket; watershed protection for Lamprey River; wildlife habitat protection; wetlands habitat; water quality and natural heritage inventory important!	Epping Conservation Commission	

APPENDIX A -- RESOURCES IDENTIFIED FOR PROTECTION (as of March, 2000)

MUNICIPALITY	PID	NAME	WAT	LAN	PUB	ECO	GEO	HIS	OTH	EST ACRES	MULTI	REASON	SOURCE	PRIORITIES
EPPING	0619980396	Between RR trail and new RT 101, adjacent to Raymond, south of Transmission line	Y	Y	Y					10	Y	Adjacent to Raymond; lamprey river watershed protection; possible recreation trails existing and managed, water quality protection & furtherance of trail development possible	Epping Conservation Commission	
EPPING	0619980397	South of Rt 101 and adjacent to Raymond; adjacent to Lamprey River & across from already protected lands	Y	Y	Y	Y				20	Y	Adjacent to Raymond; lamprey river watershed protection; possible recreation trails development, adjacent to existing protected lands - water quality protection & habitat protection	Epping Conservation Commission	
EPPING	0619980398	East of High Street; near Muddy Pond; west of Rt 125	Y	Y	Y	Y				22		Watershed protection; wetlands ; water flow and storage area; wildlife habitat area; natural heritage inventory area - protect muddy pond and watershed area	Epping Conservation Commission	
EPPING	0619980399	East of High Street; near Muddy Pond; west of Rt 125	Y	Y	Y	Y				80		Adjacent to other resources in need of protection; recreation trails possible; prime wildlife habitat; prime water flow area; extend protection areas; watershed & water quality protection	Epping Conservation Commission	
EPPING	0619980400	North of Rt 87, and East of Rt 125; adjacent to existing protected lands off of Turkey Hill Road		Y	Y	Y				125		Adjacent to existing protected lands "Rum Brook Farm" - important farmland in need of protection, tributary into Lamrey River - key agricultural and habitat protection effort	Epping Conservation Commission	
EPPING	0619980401	North of Rt 87, and East of Rt 125; adjacent to existing protected lands off of Turkey Hill Road		Y	Y	Y				125		Adjacent to existing protected lands "Spinaker Hill Farm" - important farmland in need of protection, tributary into Lamrey River - key agricultural and habitat protection effort	Epping Conservation Commission	
EPPING	0619980402	North of Witham Lane, near Epping Road; adjacent to Lee & Nottingham		Y	Y	Y				2500	Y	Adjacent to existing protected lands "Red Oak Hill Farm" - extremely important farmland in need of protection (actively farmed) - key agricultural and habitat protection effort NOW	Epping Conservation Commission	
EPPING	0619980403	West of Rundlett Road and East of Dearborn Rd	Y	Y	Y	Y				300		Hetner Orchards; active orchard; protection efforts are important - tributary flows into Rum Brook & Lamprey River, watershed protection; prime agricultural lands in need of protection	Epping Conservation Commission	
EPPING	0619980404	Adjacent to Epping Park & Ride; Adjacent to Brentwood, south of Rt 101 and east of rt 125	Y	Y	Y	Y				10	Y	On the Piscassic River; adjacent to existing protected lands; watershed and waterquality protection efforts; adjacent to Brentwood	Epping Conservation Commission	
EPPING	0619980405	North of Rt 101 and east of rt 125; south of RR trail	Y	Y	Y	Y				20		On the Piscassic River; adjacent to existing protected lands; watershed and waterquality protection efforts - linkages to existing protected lands; trail development possibilities	Epping Conservation Commission	
EPPING	0619980406	Adjacent to Lee, close to Newmarket; East of Lee Hill Road and close to 152; Existing Winery	Y	Y	Y	Y				40	Y	Adjacent to Lee (extends 40 acres in Lee); North River & Lamrey River meet - key wetlands and watershed protection; open undisturbed lands	Epping Conservation Commission	
EPPING	0619980407	West of Rt 1254, and Birchhill Road; adjacent to Lee; Riverslea Farm		Y	Y	Y				150	Y	Adjacent to Lee; near natural heritage inventory; important habitat and existing farmland - in need of protection; open undisturbed lands	Epping Conservation Commission	
EPPING	0619980536	Along Camp Lee Road; along Lamprey River	Y	Y		Y				28		Large amount of wetlands; prime habitat; adjacent to Lamprey River; watershed protection; water quality and buffer importance; includes important vernal pool habitat	GPRPP	
EXETER	0619980250	South of Epping Road; close to protected land near Brentwood border; near Cannor Farm	Y	Y	Y					12		Adjacent to State protected lands; wildlife corridor; near Town Forest; water resource protection	Exeter Conservation Commission	
EXETER	0619980251	South of Epping Road; close to protected land near Brentwood border; near Cannor Farm	Y	Y	Y					16		Adjacent to State protected lands; wildlife corridor; near Town Forest; water resource protection	Exeter Conservation Commission
