I. TITLE VI/NON-DISCRIMINATION POLICY STATEMENT

It is the policy of the Rockingham Planning Commission (RPC) Metropolitan Planning Organization (MPO) to effectuate Title VI of the Civil Rights Act of 1964, as amended, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all Federal programs and activities. Pursuant to this obligation, no person shall, on the grounds of race, color, national origin, sex, age, religion, disability, or income status be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity carried out by the MPO. The MPO will also monitor and enforce statutory requirements imposed on its sub-recipients and participants of Federally assisted programs and projects. MPO further assures that every effort will be made to ensure nondiscrimination in all of its programs and operations, regardless of funding source.

The RPC MPO operates without regard to race, color, national origin, sex, age, religion, disability or income status. MPO meetings are held in accessible locations, and reasonable accommodations are made for individuals with disabilities upon request within a reasonable advance notice period (usually two weeks or 10 business days). If you would like accessibility or language accommodation for any RPC MPO meeting, please contact the RPC Office Administrator at 603-778-0885, extension 101 or by email: rrines@rpc-nh.org

If you feel you have been discriminated against based on your race, color, national origin, sex, age, religion, disability or income status, you may file a complaint following the RPC MPO Title VI Complaint Form. If you cannot download the document or need additional information, please feel free to contact the Rockingham Planning Commission at 603-778-0885.

I. OBJECTIVES

The Rockingham Planning Commission (RPC) Metropolitan Planning Organization (MPO) has in place a Program based on Title VI of the Civil Rights Act of 1964 (42 U.S.C Section 2000d) and U.S.D.O.T. Regulation 49 CFR Part 21 “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation”. The Program is based on Federal Transit Administration Circular FTA C 4702.1A, “Title VI and Title VI-Dependent Guidelines for Federal Transit Administration Recipients”, May 13, 2007.

The objectives of the program are as follows:

- A. To ensure that the level and quality of regional and transportation planning services are provided without regard to race, color, national origin, sex, age, religion, disability or income status;
- B. To identify and address, as appropriate, disproportionately high and adverse human health and environmental effects, including social and economic effects of programs and activities on minority populations and low-income populations;
- C. To promote the full and fair participation of all affected populations in transportation decision-making;
- D. To prevent the denial, reduction or delay in benefits related to programs and activities that benefit minority populations or low-income populations; and
- E. To ensure meaningful access to programs and activities for persons with limited English proficiency.

III. GENERAL REQUIREMENTS

As part of the Rockingham Planning Commission (RPC) Metropolitan Planning Organization (MPO) Title VI Program, the MPO maintains certain reporting requirements and provides the New Hampshire Department of Transportation (NHDOT), Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) the following information regarding these reporting requirements. In addition to the first 12 General Requirements below, which are required of all recipients of Federal aid, Metropolitan Planning Organizations must respond to additional requirements related to planning of federally funded transportation projects, and program administration, which are addressed at the end of this section.

1. Requirement to Provide Title VI Assurances

The MPO will submit its Title VI Assurance as part of its Certifications and Assurances submission to NHDOT, FHWA and FTA. The MPO will also collect Title VI Assurances from sub-recipients prior to passing through FHWA or FTA funds.

A copy of the Title VI Assurance included in the Annual Certifications and Assurances submission to NHDOT, FHWA and FTA is included in Appendix A.

2. Requirement to Prepare and Submit a Title VI Program

This document constitutes the Title VI Program Plan for the Rockingham Planning Commission (RPC) Metropolitan Planning Organization (MPO).

3. Requirement to Notify Beneficiaries of Protection Under Title VI

The RPC MPO has established methods for notification to the public regarding its Title VI obligations, how to get more information regarding the MPO's non-discrimination obligations, and procedures for filing a discrimination complaint against the MPO. The public notice is included in Appendix B.

The public notice is posted at the MPO offices, and is accessible on the MPO website at www.rpc-nh.org/transportation/public-engagement/civil-rights. Below are English and Spanish versions of the RPC MPO's Notification of Protection:

4. Requirement to Develop Title VI Complaint Procedures and Complaint Form

The RPC MPO has developed procedures for investigating and tracking Title VI complaints that may be filed against the MPO and for making these procedures available to members of the public upon request. Should the RPC MPO have any sub-recipients in the future, sub-recipients shall be required to have such procedures and shall be encouraged to adopt the MPO's complaint investigation and tracking procedures.

Copies of the RPC MPO's Title VI Complaint and Investigation Procedures and Complaint Form are included in Appendix C and posted on the MPO website in English and Spanish translation at: www.rpc-nh.org/transportation/public-engagement/civil-rights.

The Title VI complaint procedures were adopted by the RPC MPO Policy Committee on January 9, 2013; and reviewed and readopted in September 2017. The RPC MPO Title VI Coordinator is Scott Bogle, Senior Transportation Planner, Rockingham Planning Commission, 156 Water Street, Exeter, NH 03833.

5. Requirement to Record and Report Title VI Investigations, Complaints, and Lawsuits

In compliance with 49 CFR Section 21.9(b), the RPC MPO (and any sub-recipient) shall prepare and maintain a list of any active investigations conducted by entities other than the FTA or FHWA, lawsuits, or complaints naming the RPC MPO (or sub-recipient) alleging discrimination on the basis of race, color, national origin, sex, religion, disability or income status. This list shall include the date the investigation, lawsuit, or complaint was filed and received by the MPO, a summary of the allegation(s), the status of the investigation, lawsuit or complaint, and actions taken by the MPO (or sub-recipient) in response to the investigation, lawsuit, or complaint.

The RPC MPO's form for recording this information is included in Appendix C. The list shall comprise all records of active investigations, lawsuits, and complaints recorded on these forms. During the processing of active investigations, lawsuits, or complaints, the Title VI Coordinator shall update the record form as necessary. Upon resolution and closure of an investigation, lawsuit or complaint, the Title VI Coordinator shall record such closure on this form.

The Rockingham Planning Commission Metropolitan Planning Organization (MPO) was designated by Governor John Lynch on July 21, 2007. Since the designation of the MPO there have been no Title VI complaints, investigations, or lawsuits filed against the MPO.

6. Requirement to Promote Inclusive Public Participation

The content and considerations of Title VI, the Executive Order on accommodation of individuals with Limited English Proficiency (LEP), and the US Department of Transportation (USDOT) LEP Guidance are integrated into the Public Participation Plan for the RPC MPO, which is incorporated into the MPO Prospectus, and was last updated in July 2017.

Public participation is vital to the RPC Commission MPO. It helps provide the MPO the broadest spectrum of relevant information available prior to its decision-making and offers the public an opportunity to raise concerns that can be considered along with discussion of technical, political and economic merit.

Of particular importance in the pursuit of public participation is the identification of audiences which would be affected by or have a business or other affinity with the issues under consideration. All views should be heard and their participation likewise encouraged. In this context, minority views include not only ethnic groups but also others whose perspectives may not be fully reflected by larger segments of the public.

Through the regional planning process, the MPO and partner agencies will thoroughly analyze the three federally established fundamental environmental justice principles:

- To avoid, minimize or mitigate disproportionately high and adverse human health or environmental effects, including social and economic effects, of programs, policies and activities on minority populations and low-income populations;
- To ensure full and fair participation by all potentially affected communities in the transportation decision-making process; and
- To prevent the denial of, reduction of, or significant delay in the receipt of transportation benefits by minority and low-income populations.

The MPO actively seeks to solicit the comments and engage the interests of the public through the participation process. It then is the responsibility of the MPO and the NH Department of Transportation to balance the public's needs and desires with resources available to address those needs and desires.

MPO Staff are directed to incorporate appropriate activities to make public communications and outreach a part of the agency's overall planning activities. In addition to required public hearings, such activities may include: representative task forces or advisory committees; public meetings and workshops, presentations and

discussions with special interest organizations, forums or conferences that provide information about issues and processes and the opportunity for input from the public; opinion polls, surveys, focus groups and interviews to acquire information; and use of the media and reports to disseminate information.

Specific outreach efforts designed to gather input on the needs of underrepresented populations in the MPO region in recent years include, though are not limited to:

- Surveys of municipal human services directors regarding the transportation needs of community residents who have sought assistance, or other community members who may not seek assistance but nonetheless have unmet transportation needs.
- Surveys of non-profit Health & Human Service agencies working with transit dependent populations, including seniors, individuals with disabilities and low income residents.
- Surveys of riders of COAST and CART, the two regional public transit systems serving portions of the MPO region.
- Ongoing participation in and technical assistance to the two Regional Coordinating Councils for Community Transportation (RCCs) that serve portions of the MPO planning region. These include the Greater Derry-Salem RCC, covering 10 communities in western Rockingham County, including 6 communities in the RPC MPO region; and the Southeast NH RCC, covering 38 communities in Rockingham, Strafford and Carroll Counties, including 21 communities in the central and eastern part of the MPO region. These councils are made up of public and private organizations that provide transportation services for transit dependent populations, purchase these services, or otherwise work with populations likely to need these services. Each of these RCCs also engages citizen members, including individuals with disabilities who are regular users of public transit.
- Finally, as part of our joint work with the eight other RPCs around New Hampshire on the Granite State Future initiative, RPC partnered with New Hampshire Listens on a series of focus group meetings targeting underserved populations. These included individuals with disabilities, senior citizens, and youth. We also consulted with NH Catholic Charities and Ascentia Care Network (formerly Lutheran Social Services), the two primary agencies that work with immigrant populations in the state, to enlist their assistance in outreach to engage minority and immigrant groups in the development of the MPO Metropolitan Long Range Transportation Plan. That said, the largest minority and immigrant populations in New Hampshire are largely concentrated in the cities of Nashua, Manchester and Concord.

The MPO seeks to reduce or eliminate language, mobility, temporal, and other obstacles that may prevent minority, disability, low-income and other under-represented populations from fully participating in the metropolitan planning process. It is the policy

of the MPO to locate all public meetings in facilities that are structurally accessible. Meetings of the MPO Technical Advisory Committee are held during the day at the Rockingham Planning Commission offices, which are wheelchair accessible as well as accessible by COAST regional transit service. Meetings of the MPO Policy Committee are rotated around the MPO region, and held mainly in town halls or public libraries. Given the limited nature of public transit in the region, the policy of the MPO to rotate meetings among member communities, and the fact that many municipally-appointed volunteer Commissioners hold day jobs unrelated to their MPO participation, some meetings of the MPO Policy Committee are held in locations or at times of day when they are not accessible by public transit.

7. Requirement to Develop a Demographic Profile of the Metropolitan Area

The MPO has prepared a demographic analysis of minority and low income populations for the twenty-seven (27) communities that currently make up the MPO planning region. Data on the racial and ethnic makeup of the region are drawn from the 2010 U.S. Census. Data on low-income populations were drawn from the American Community Survey (ACS) 2010-2014 5-year data compilation.

Note that there are significant concerns regarding the ACS data, which represent a much smaller survey sample, even with a 5-year compilation, than the old Census Long Form, from which information on income and poverty have previously been drawn. While the ACS data provide useful annual snapshots at the national, state and county levels, they contain very high margins of error for small towns (in some cases exceeding 100%), and especially for small sub-populations within towns. That said, they represent the best data available for these measures since the 2000 Census.

The analyses have been developed at two geographic levels. Tables 1 and 2 on the following pages show data at the municipal level. Map 1 and Map 2 depict data at the Census Tract level for additional detail.

Minority Population

Table 1 identifies the number of racial and ethnic minority residents for each municipality in the MPO region, as well as minority residents as a percentage of overall population. Region-wide minorities make up approximately 7.1% of the population. This average is exceeded in four communities: Portsmouth (13.3%), and Salem (13.1%), Raymond (8.3%) New Castle (8.3%). Statewide, members of racial and ethnic minority groups make up 9.2% of the population. This is a significant increase since the 2000 census, when racial and ethnic minorities made up only 5.6% of the population statewide, and 3.5% of the population in the MPO region.

Map 1 shows the minority population as a percentage of total population at the Census Tract level. The highest concentrations of minority populations in the region are in Salem along Route NH28, north Portsmouth along Woodbury Avenue and Gosling Road, and

south Portsmouth along Route US1. Other areas exceeding 10% minority population include Portsmouth’s West End, west Salem, the tract covering Portsmouth’s South End and New Castle, the tract covering Newfields and much of Newmarket, and South Hampton. The distribution of projects shown on Map 4 does not suggest that communities with larger minority populations are subject to a disproportionate share of either benefits or adverse impacts from transportation projects.

Low Income Households

According to the U.S. Census Bureau, for 2014 the poverty threshold was approximately \$24,250 for a family of four. Table 2 uses the American Community Survey 2010-2014 5-year data compilation to show the number and percent of households in poverty by municipality in the Rockingham Planning Commission region. The mean percentage of households in poverty for the MPO region was 5.8%. Table 2 identifies ten communities where the percentage of households in poverty exceeds this regional mean: Brentwood (7.4%), Epping (5.4%), Exeter (7.4%), Hampstead (6.2%), Hampton (7.1%), Newton (9.1%), Portsmouth (7.6%), Raymond (8.8%), Sandown (7.3%), and Seabrook (12.4%). Statewide, approximately 8.9% of the population falls below the federal poverty line, while nationally for 2011 an estimated 15.5% of the population lived in poverty.

This represents some change from the 2000 Census data, which showed 5.0% of residents in the region living in poverty. Several towns with above average populations in poverty in 2014 were below average in 2000. These include Brentwood, Epping, Hampstead, and Sandown. This may reflect demographic shift or may to some degree reflect sampling anomalies in these small towns. Hampton traditionally shows a high population in poverty due to short term winter rental residents in the beach district, while Portsmouth as the only city in the area, and a community with lots of students and retail workers, also traditionally shows above average poverty levels.

Map 2 shows the population at or below the poverty level as a percentage of total population at the Census Tract level. The tract with the highest poverty level is the Hampton Beach area, with 30.9% of households in poverty. As noted above, this reflects a seasonal population occupying winter rental units in the beach area. This is a known concentration of people underserved by the transportation system, and the MPO works with multiple partners on projects to improve mobility options in this area. Other high poverty areas identified in Map 2 include southern Exeter where there is a concentration of manufactured housing, Seabrook, and northeastern Raymond. The distribution of projects does not suggest that areas within the region with a higher percentage of low-income residents are subject to a disproportionate share of either benefits or adverse impacts from highway projects.

8. Requirement to Provide Meaningful Access to LEP Persons

Consistent with Title VI of the Civil Rights Act of 1964, USDOT's implementing regulations, and Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency" (65 FR 50121, Aug. 11, 2000), the RPC MPO will take responsible steps to ensure meaningful access to benefits, services, information, and other important portions of its programs and activities for individuals who have Limited English Proficiency (LEP).

The following pages describe the four-part analysis of LEP populations described in the Federal Transit Administration guidance entitled "Implementing the Department of Transportation's Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient (LEP) Persons: A Handbook for Public Transportation Providers", prepared by the FTA Office of Civil Rights. These steps include: (1) identifying the number or proportion of LEP persons eligible to be served or likely to be encountered by a program, activity, or service of the recipient or grantee; (2) determining the frequency with which LEP individuals come in contact with the program; (3) defining the nature and importance of the program, activity, or service provided by the recipient to people's lives; and (4) describing the resources available to the recipient and costs.

Identify the number or proportion of LEP persons eligible to be served or likely to be encountered by a program, activity, or service of the recipient or grantee;

The RPC MPO has undertaken an analysis of the languages spoken in its twenty-seven (27) town planning region, and the estimated number of residents with Limited English Proficiency and their distribution by language group and census tract. A summary of these data is included in the following pages. Appendix D includes comprehensive data tables from the American Community Survey (ACS) 2010-2014 5-year data compilation regarding language spoken at home as well as Limited English Proficiency (LEP) for the 43 census tracts in the MPO planning region.

Table 3 shows data taken from the ACS 2014 5-year data compilation for primary language spoken at home for the MPO planning region. This table summarizes the most common languages spoken at home in the region, with a threshold of 0.05% of households.

The ACS 2014 five year compilation data estimate that the percentage of people 5 years and over who speak a language other than English at home in New Hampshire is 7.9% and in the RPC MPO planning region is 6.4%. The percentage of people 5 years and over who speak English "less than very well" in New Hampshire is 2.1% and in the RPC MPO planning region is 1.6%. The percentage of people 5 years of age and over who speak Spanish at home in New Hampshire is 2.1% and in the RPC MPO planning region is 1.9%.

The federal interagency website on Limited English Proficiency (LEP) (www.lep.gov) states: Individuals who do not speak English as their primary language and who have a

limited ability to read, speak, write, or understand English can be limited English proficient, or "LEP." These individuals may be entitled language assistance with respect to a particular type or service, benefit, or encounter.

A detailed analysis of English Proficiency data from the ACS 2014 5-year data compilation is included in Appendix D. Based on this definition, a total of 2,926 individuals in the RPC MPO planning region, or 1.6% of total population, would be identified as having Limited English Proficiency. Divided among language groups, this includes 848 Spanish speakers (0.5% of total population), 968 speakers of Other Indo-European Languages (0.5% of total population), 421 speakers of Chinese (0.2% of the population), 590 speakers of Other Asian and Pacific Languages (0.3% of total population), and 99 speakers of Other Languages (0.1% of total population).

Map 4 - Population with Limited English Proficiency (LEP) by Town

Determine the frequency with which LEP individuals come in contact with the program

Key points of contact between the MPO and members of the public in the MPO region include the following: public hearings, other public meetings, the MPO website, inquiries with the MPO office and staff regarding local or regional project needs, and local or regional surveys designed to gather information to inform decision making.

During the past ten years there have been no inquiries with MPO staff by residents of the region regarding the availability of interpretation services for meetings, or documents in translation to other languages to benefit LEP individuals.

Define the nature and importance of the program, activity, or service provided by the recipient to people's lives

An MPO's regional planning activities impact every person in the MPO region to one degree or another. Projects reviewed by the MPO and recommended to NHDOT for funding impact the safety and travel time for all members of the driving public. Similarly, MPO work to develop regional coordinated public transit and human service transportation plans helps to address mobility and access needs for a range of transit dependent populations, which may include LEP persons as well as seniors, individuals with disabilities, youth and the general low income population.

Describe the resources available to the recipient and costs

The RPC MPO has consulted with several agencies to identify common practices in New Hampshire for working with LEP populations, including the NH Department of Transportation, COAST, and Greater Derry Community Health Services (CHS). Based on these contacts the MPO is exploring costs for commercial telephonic interpretation services identified by NHDOT. The MPO has also identified interpretation services available through Ascentia Care Alliance (formerly Lutheran Social Services). The MPO Uniform Planning Work Program (UPWP) would be the main source of financial resources available to the MPO for expanding language access. The MPO is in the process of developing cost estimates for on-call interpretation services as well as document translation. In 2016 the MPO redesigned its website and incorporated Google Translate to improve language access online. Live interpretation services are costlier, though the MPO anticipates the need for such services to be infrequent.

USDOT LEP Guidance identifies 1,000 individuals or 5% of the population eligible to be served falling within a specific LEP language group as a threshold above which vital documents should be provided in translation. Past analyses of the MPO region have shown no populations exceeding this threshold. Data from the 2000 Census showed no LEP population approaching this threshold – across all language groups the LEP population in 2000 totaled 0.5% of population in the MPO planning region. The largest LEP population within a single language was among speakers of Spanish, with 276 LEP individuals, or approximately 0.2% of total population.

Estimates from the 2007-2011 ACS used in the 2013 Title VI document showed 1073 speakers of Spanish with Limited English Proficiency. The new 2010-2014 ACS estimates show a reduction in the Spanish speaking population with Limited English Proficiency, dropping to 848 LEP speakers of Spanish. Based on ACS estimates in surrounding years, we attribute this to sampling error in the prior estimates showing inaccurately high population of Spanish speaking residents with limited English proficiency.

Based on the LEP analysis developed for 2013 Title VI plan, the MPO developed a Language Assistance Plan to identify strategies for expanding access to key MPO documents for LEP individuals, with an emphasis on the Spanish speaking population. While the MPO region falls below the FTA/FHWA Safe Harbor threshold of 1000 LEP individuals in a language group, the MPO is committed to maintaining the translation services already developed, and expanding language access where possible.

9. Minority Representation on Planning and Advisory Bodies

Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.”

The key advisory and policy-making bodies for the MPO are the MPO Technical Advisory Committee (TAC) and the MPO Policy Committee. The TAC is made up of one representative from each MPO community plus representatives of State and Federal agencies, and several major public institutions in the region. The Policy Committee is similarly made up of Commissioners to the RPC appointed by each member community, representatives of State and Federal agencies, and representatives of major public institutions in the region, including the Pease Development Authority/Port of New Hampshire, the COAST and CART public transportation systems, and private transit operators. The individuals representing each of these municipalities or agencies are selected by those entities, and are not chosen at the discretion of the MPO or its Staff. Full makeup of the MPO TAC and Policy Committees is depicted in Appendix F. Currently one member of the MPO Policy Committee is African American, representing the Town of Hampstead, as well as one member of TAC, representing the Town of Salem. All other committee member are Caucasian.

As Commissioner and TAC positions become open, the MPO will encourage member municipalities and agencies to reach out to minority communities as they consider the selection of new Commissioners. As part of regular community outreach and planning functions, MPO staff will also seek to identify individuals who could bring diverse perspectives to MPO Committees, and whose names could be put forward when Commissioner and TAC seats open.

10. Providing Assistance to Subrecipients

The RPC MPO is itself a sub-recipient of Federal assistance, with the NH Department of Transportation serving as the primary recipient and passing through FTA Section 5305 (d) and FHWA metropolitan planning funding to the region.

Since the MPO's last Title VI plan, Rockingham Planning Commission has also become the Lead Agency for Section 5310 Purchase of Service funding made available by NHDOT to the Southeast NH Regional Coordinating Council for Community Transportation (RCC). The RPC in turn contracts with four separate entities to provide transportation for senior citizens and individuals with disabilities with these funds.

These agencies include the Cooperative Alliance for Seacoast Transportation (COAST), Transportation Assistance for Seacoast Citizens (TASC), Ready Rides, and Rockingham Nutrition Meals on Wheels Program (RNMOW). RPC has assisted both COAST and RNMOW with LEP analysis for development of their own Title VI Plans. COAST is a Designated Recipient of Section 5307 funding, and RNMOW receives a range of Federal funding, mostly from the Department of Health and Human Services. Ready Rides and TASC are not required to have full Title VI Plans, but do sign a Title VI Assurance as part of their contracts with RPC for accessing FTA funds. The MPO also enters into contracts with municipalities and private consulting firms involving Federal funding. In all cases these contracts incorporate standard Certifications and Assurances related to Title VI Civil Rights responsibilities.

11. Monitoring Subrecipients

The MPO recognizes the obligation to ensure subrecipients are in compliance with Title VI requirements, and will undertake the following activities to ensure that compliance:

- a) Document the process for ensuring that all subrecipients are complying with the general reporting requirements of this circular, as well as other requirements that apply to the subrecipient based on the type of entity and the number of fixed route vehicles it operates in peak service if a transit provider.
- b) Collect Title VI Programs and/or Title VI Assurances from subrecipients and review programs for compliance.
- c) At the request of FTA, in response to a complaint of discrimination, request that subrecipients who provide transportation services verify that their level and quality of service is provided on an equitable basis.

12. Determination of Site or Location of Facilities

Title 49 CFR Section 21.9(b)(3) states, "In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding persons from, denying them the benefits of, or subjecting them to discrimination under

any program to which this regulation applies, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part.” Title 49 CFR part 21, Appendix C, Section (3)(iv) provides, “The location of projects requiring land acquisition and the displacement of persons from their residences and businesses may not be determined on the basis of race, color, or national origin.”

Per FTA Circular 4702.1B, “facilities” included in this provision are defined narrowly to exclude bus shelters, which are transit amenities; or larger projects such as bus stations or guideways subject to the NEPA process. Rather this section include, but are not limited to, storage facilities, maintenance facilities, operations centers, etc. The MPO is not typically involved with site selection for projects of this sort.

Should it at some point in the future be involved with this sort of support facility development, the MPO acknowledges its responsibility to complete a Title VI equity analysis during the planning stage with regard to where a project is located or sited to ensure the location is selected without regard to race, color, or national origin. This process would include outreach to persons potentially impacted by the siting of facilities. The Title VI equity analysis would compare the equity impacts of various siting alternatives, and occur before the selection of the preferred site.

13. Requirement to Provide Additional Information Upon Request

The MPO will provide information other than that required by Circular 4702.1B to FTA upon request, should it be necessary to investigate complaints of discrimination or to resolve concerns about possible noncompliance with Title VI.

IV. REQUIREMENTS FOR METROPOLITAN PLANNING ORGANIZATIONS

In addition to the above requirements of all recipients of Federal funding, FTA Circular 4702.1B identifies the following requirements for Metropolitan Planning Organizations.

1. Requirement that Metropolitan Planning Activities Comply Title VI

The RPC MPO recognizes that all metropolitan transportation planning activities must comply with 49 U.S.C. Section 5303, Metropolitan Transportation Planning, as well as subpart C of 23 CFR part 450, Metropolitan Transportation Planning and Programming. In its regional transportation planning capacity, the MPO will submit to the State as the primary recipient, FTA and FHWA:

- a) Documentation of compliance with the twelve general requirements for all recipients of Federal funding.

Discussion of the basic requirements of all recipients is included in Section II above. This Plan serves as the referenced documentation.

- b) A demographic profile of the metropolitan area that includes identification of the locations of minority populations in the aggregate;

Analysis of minority, low income and Limited English Proficiency (LEP) populations in the MPO region is addressed in Sections 7 and 8 above.

- c) A description of the procedures by which the mobility needs of minority populations are identified and considered within the planning process;

A summary of MPO public participation procedures designed to gather information on the mobility needs of minority populations, individuals with disabilities, and low-income residents is described in Section 6 above.

- d) Where necessary, provide member agencies with regional data to assist them in identifying minority populations in their service area.

All MPO member communities and agencies are provided MPO demographic analyses of minority and other populations included here, and also incorporated into the two Coordinated Public Transit/Human Services Transportation Plans covering the MPO region. As noted above, the MPO also provides technical assistance to the COAST and CART transit systems in developing their Title VI demographic analyses.

2. Requirements for Program Administration

The Executive Director of the Rockingham Planning Commission is responsible for ensuring the MPO fulfills its Title VI obligations through effective management and implementation of this program. The Title VI Coordinator is responsible for providing direct oversight in implementing the Title VI program and ensuring enforcement measures are carried out as appropriate in accordance with the Standard Assurances.

In order to comply with 49 CFR Section 21.5, the general nondiscrimination provision, the MPO recognizes its responsibility to document that, if Federal funds under any FTA or FHWA programs are passed through to subrecipients, this is done without regard to race, color, or national origin; and to assure that minority populations are not being denied the benefits of or excluded from participation in these programs.

As noted above, the MPO is itself a sub-recipient of Federal funding passed through the NH Department of Transportation, and has several subrecipients of Section 5310 funding for mobility for senior citizens and individuals with disabilities. While the MPO plays a role in prioritizing projects at the regional level for the regional Transportation Improvement Program (TIP) or specific funding programs such as Congestion Mitigation and Air Quality (CMAQ), actual programming authority is maintained by the NH Department of Transportation. However, should occasions arise where the MPO does take on programming authority or otherwise pass through Federal funds to municipalities or other

subrecipients, the MPOs will prepare and maintain the following information, and report it to NHDOT, FTA or FHWA if requested:

- a. A record of funding requests received from private non-profit organizations, State or local governmental authorities, and Indian tribes. The record shall identify those applicants that would use grant program funds to provide assistance to predominantly minority populations. The record shall also indicate which applications were rejected and accepted for funding.
- b. A description of how the MPO develops its competitive selection process or annual program of projects submitted to FTA as part of its grant applications. This description shall emphasize the method used to ensure the equitable distribution of funds to subrecipients that serve predominantly minority populations, including Native American tribes, where present. Equitable distribution can be achieved by engaging in outreach to diverse stakeholders regarding the availability of funds, and ensuring the competitive process is not itself a barrier to selection of minority applicants.
- c. A description of the MPO's criteria for selecting entities to participate in an FTA grant program.

FTA FISCAL YEAR 2017 CERTIFICATIONS AND ASSURANCES

FEDERAL FISCAL YEAR 2017 FTA CERTIFICATIONS AND ASSURANCES SIGNATURE PAGE

(Required of all Applicants for federal assistance to be awarded by FTA and all FTA Grantees with an active Capital or Formula Award)

AFFIRMATION OF APPLICANT

Name of the Applicant: Rockingham Planning Commission

Name and Relationship of the Authorized Representative: Cliff Sinnott, Executive Director

BY SIGNING BELOW, on behalf of the Applicant, I declare that it has duly authorized me to make these Certifications and Assurances and bind its compliance. Thus, it agrees to comply with all federal laws, regulations, and requirements, follow applicable federal guidance, and comply with the Certifications and Assurances as indicated on the foregoing page applicable to each application its Authorized Representative makes to the Federal Transit Administration (FTA) in federal fiscal year 2017, irrespective of whether the individual that acted on his or her Applicant's behalf continues to represent it.

FTA intends that the Certifications and Assurances the Applicant selects on the other side of this document should apply to each Award for which it now seeks, or may later seek federal assistance to be awarded during federal fiscal year 2017.

The Applicant affirms the truthfulness and accuracy of the Certifications and Assurances it has selected in the statements submitted with this document and any other submission made to FTA, and acknowledges that the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. § 3801 *et seq.*, and implementing U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, apply to any certification, assurance or submission made to FTA. The criminal provisions of 18 U.S.C. § 1001 apply to any certification, assurance, or submission made in connection with a federal public transportation program authorized by 49 U.S.C. chapter 53 or any other statute

In signing this document, I declare under penalties of perjury that the foregoing Certifications and Assurances, and any other statements made by me on behalf of the Applicant are true and accurate.

Signature  Date: January 10, 2017

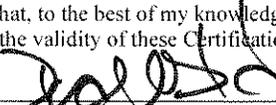

Name Cliff Sinnott, Executive Director
Authorized Representative of Applicant

AFFIRMATION OF APPLICANT'S ATTORNEY

For (Name of Applicant): Rockingham Planning Commission

As the undersigned Attorney for the above named Applicant, I hereby affirm to the Applicant that it has authority under state, local, or tribal government law, as applicable, to make and comply with the Certifications and Assurances as indicated on the foregoing pages. I further affirm that, in my opinion, the Certifications and Assurances have been legally made and constitute legal and binding obligations on it.

I further affirm that, to the best of my knowledge, there is no legislation or litigation pending or imminent that might adversely affect the validity of these Certifications and Assurances, or of the performance of its FTA assisted Award.

Signature  Date: 1/11/17

Name Douglas Mansfield, Esq.
Attorney for Applicant Douglas, Tucker & Ciardola, PLLC

Each Applicant for federal assistance to be awarded by FTA and each FTA Recipient with an active Capital or Formula Project or Award must provide an Affirmation of Applicant's Attorney pertaining to the Applicant's legal capacity. The Applicant may enter its electronic signature in lieu of the Attorney's signature within FTA's electronic award and management system, provided the Applicant has on file and uploaded to FTA's electronic award and management system this hard-copy Affirmation, signed by the attorney and dated this federal fiscal year.

Appendix B

Rockingham Planning Commission Metropolitan Planning Organization Title VI Notice to Public

It is the policy of the Rockingham Planning Commission (RPC) Metropolitan Planning Organization (MPO) to effectuate Title VI of the Civil Rights Act of 1964, as amended, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all Federal programs and activities. Pursuant to this obligation, no person shall, on the grounds of race, color, national origin, sex, age, creed, disability, or income status be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity carried out by the MPO. The MPO will also monitor and enforce statutory requirements imposed on any sub-recipients and participants of Federally assisted programs and projects. MPO further assures that every effort will be made to ensure nondiscrimination in all of its programs and operations, regardless of funding source.

The RPC MPO operates without regard to race, color, national origin, sex, age, creed, disability or income status. MPO meetings are held in accessible locations, and reasonable accommodations are made for individuals with disabilities upon request within a reasonable advance notice period (usually two weeks or 10 business days). If you would like accessibility or language accommodation for any RPC MPO meeting, please contact the RPC Office Administrator at 603-778-0885, extension 101 or by email: rrines@rpc-nh.org

If you feel you have been discriminated against based on your race, color, national origin, sex, age, creed, disability or income status, you may file a complaint following the RPC MPO Title VI Complaint Form. If you cannot download the document or need additional information, please feel free to contact the Rockingham Planning Commission at 603-778-0885.

Appendix C1

Rockingham Planning Commission MPO Civil Rights Complaint and Investigation Procedures

These procedures cover all complaints filed under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, for alleged discrimination in any program or activity administered by the Rockingham Planning Commission.

These procedures do not deny the right of the complainant to file formal complaints with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to obtain early resolution of complaints at the lowest level possible. The option of informal mediation meeting(s) between the affected parties and the RPC may be utilized for resolution. Any individual, group of individuals or entity that believes they have been subjected to discrimination prohibited under Title VI and related statutes may file a written complaint to the following address:

**Title VI Coordinator
Rockingham Planning Commission
156 Water Street
Exeter, NH 03833
Phone: (603) 778-0885**

The following measures will be taken to resolve civil rights complaints:

- 1.) A formal complaint must be filed within 180 days of the alleged occurrence. Complaints shall be in writing and signed by the individual or his/her representative, and will include the complainant's name, address and telephone number; name of alleged discriminating official, basis of complaint (race, color, creed, national origin, sex, disability, age), and the date of alleged act(s). A statement detailing the facts and circumstances of the alleged discrimination must accompany all complaints.
- 2.) In the case where a complainant is unable or incapable of providing a written statement, a verbal complaint of discrimination may be made to the RPC Title VI Coordinator. Under these circumstances, the complainant will be interviewed, and the Title VI Coordinator will assist the Complainant in converting the verbal allegations to writing.
- 3.) When a complaint is received, the Title VI Coordinator will provide written acknowledgment to the Complainant, within ten (10) days by registered mail.
- 4.) If a complaint is deemed incomplete, additional information will be requested, and the Complainant will be provided 60 business days to submit the required information. Failure to do so may be considered good cause for a determination of no investigative merit.

- 5.) Within 15 business days from receipt of a complete complaint, the RPC will determine its jurisdiction in pursuing the matter and whether the complaint has sufficient merit to warrant investigation. Within five (5) days of this decision, the Executive Director or his/her authorized designee will notify the Complainant and Respondent, by registered mail, informing them of the disposition.
 - a. If the decision is not to investigate the complaint, the notification shall specifically state the reason for the decision.
 - b. If the complaint is to be investigated, the notification shall state the grounds of RPC's jurisdiction, while informing the parties that their full cooperation will be required in gathering additional information and assisting the investigator.
- 6.) When RPC does not have sufficient jurisdiction, the Executive Director or his/her authorized designee will refer the complaint to the appropriate State or Federal agency holding such jurisdiction.
- 7.) If the complaint has investigative merit, the Executive Director or his/her authorized designee will assign an investigator. A complete investigation will be conducted, and an investigative report will be submitted to the Executive Director within 60 days from receipt of the complaint. The report will include a narrative description of the incident, summaries of all persons interviewed, and a finding with recommendations and conciliatory measures where appropriate. If the investigation is delayed for any reason, the investigator will notify the appropriate authorities, and an extension will be requested.
- 8.) The Executive Director or his/her authorized designee will issue letters of finding to the Complainant and Respondent within 90 days from receipt of the complaint.
- 9.) If the Complainant is dissatisfied with RPC's resolution of the complaint, he/she has the right to file a complaint with the New Hampshire Department of Transportation at the following address:

**Title VI Coordinator
New Hampshire Department of Transportation
P.O. Box 483, 7 Hazen Drive
Concord, NH 03302-0483
Phone: (603) 271-6070
TTY Access: (800) 735-2964**

Comisión de Planificación Rockingham
Procedimientos de Denuncia e Investigación Título VI

Estos procedimientos cubren todas las quejas presentadas bajo el Título VI de la Ley de Derechos Civiles de 1964, la Sección 504 de la Ley de Rehabilitación de 1973 y la Ley de Americanos con Discapacidades de 1990 por supuesta discriminación en cualquier programa o actividad administrada por la Comisión de Planificación de Rockingham.

Estos procedimientos no niegan el derecho del demandante a presentar quejas formales con otras agencias estatales o federales o a buscar un abogado privado para las quejas alegando discriminación. Se hará todo lo posible para obtener una resolución temprana de las quejas al nivel más bajo posible. La opción de reuniones de mediación informal entre las partes afectadas y el RPC puede ser utilizada para la resolución. Cualquier individuo, grupo de individuos o entidad que crea que han sido objeto de discriminación prohibida bajo el Título VI y estatutos relacionados puede presentar una queja por escrito a la siguiente dirección:

Title VI Coordinator
Rockingham Planning Commission
156 Water Street
Exeter, NH 03833
Phone: (603) 778-0885

Se tomarán las siguientes medidas para resolver las quejas de los derechos civiles:

- 1.) Una queja formal debe ser presentada dentro de los 180 días de la presunta ocurrencia. Las quejas deben ser por escrito y firmadas por el individuo o su representante, e incluirán el nombre, dirección y número de teléfono del reclamante; Nombre del funcionario discriminador alegado, base de la queja (raza, color, credo, origen nacional, sexo, discapacidad, edad), y la fecha del supuesto acto (s). Todas las quejas deben acompañar una declaración en la que se detallen los hechos y circunstancias de la supuesta discriminación.
- 2.) En el caso en que un denunciante no pueda o no pueda proporcionar una declaración escrita, se podrá presentar una queja verbal de discriminación al Coordinador del Título VI de RPC. En estas circunstancias, el demandante será entrevistado y el Coordinador del Título VI ayudará al Demandante a convertir las alegaciones verbales por escrito.
- 3.) Cuando se recibe una queja, el Coordinador del Título VI proporcionará un acuse de recibo por escrito al Demandante, dentro de los diez (10) días por correo certificado.
- 4.) Si una queja se considera incompleta, se solicitará información adicional, y se proporcionará al reclamante un plazo de 60 días hábiles para presentar la información

requerida. El no hacerlo puede ser considerado como una buena causa para la determinación de ningún mérito investigativo.

- 5.) Dentro de los 15 días hábiles a partir de la recepción de una queja completa, la RPC determinará su jurisdicción en el proceso y si la queja tiene mérito suficiente para justificar una investigación. Dentro de los cinco (5) días de esta decisión, el Director Ejecutivo o su designado autorizado notificará al Demandante y al Demandado, por correo certificado, informándoles de la disposición.
 - a. Si la decisión no es investigar la denuncia, la notificación especificará específicamente el motivo de la decisión.
 - b. Si la queja debe ser investigada, la notificación deberá indicar los motivos de la jurisdicción de RPC, al mismo tiempo que se informa a las partes que se necesitará su plena cooperación para recopilar información adicional y ayudar al investigador.
- 6.) Cuando RPC no tenga jurisdicción suficiente, el Director Ejecutivo o su designado autorizado remitirá la queja al organismo estatal o federal competente que tenga dicha jurisdicción.
- 7.) Si la queja tiene mérito de investigación, el Director Ejecutivo o su designado autorizado asignará un investigador. Se llevará a cabo una investigación completa y se presentará un informe de investigación al Director Ejecutivo dentro de los 60 días siguientes a la recepción de la queja. El informe incluirá una descripción narrativa del incidente, resúmenes de todas las personas entrevistadas y una conclusión con recomendaciones y medidas conciliatorias cuando corresponda. Si la investigación se retrasa por cualquier motivo, el investigador notificará a las autoridades pertinentes y se solicitará una prórroga.
- 8.) El Director Ejecutivo o su designado autorizado expedirá cartas de hallazgo al Demandante y al Demandado en un plazo de 90 días a partir de la recepción de la queja.
- 9.) Si el Demandante está insatisfecho con la resolución de la queja de RPC, tiene derecho a presentar una queja ante el Departamento de Transporte de New Hampshire en la siguiente dirección:

**Title VI Coordinator
New Hampshire Department of Transportation
P.O. Box 483, 7 Hazen Drive
Concord, NH 03302-0483
Phone: (603) 271-6070
